Individual Student Rewards

All students that earn 20 or more points will get to go on a day trip close to the end of school. We are looking at Seaworld, Fiesta Texas or some other fun place. We will try and find the best place with the lowest ticket price. The trip will be an all day excursion, so sell, sell, sell, and help our FFA raise money that will be used for FFA trips and expenses.

Any student that DOES NOT pick up the product they sold on the day the product is delivered to the school will forfeit all rewards.

We Need Your Help!

It is that time for our Annual Fall Fund Raiser! We are selling some delicious Fresh Country food products. Your participation is much needed and appreciated to raise the necessary funds to fuel our FFA Chapter. All funds raised will be used exclusively to benefit our FFA members. We are planning on lots of contests and leadership activities and these events cost money, so our fundraiser will help us pay for entries to these events, money will also help pay all of our student's membership dues.
